Case 19-CB-303254

Dear Ms. Wedekind:

Enclosed is a copy of a charge that has been filed in this case. This letter tells you how to contact the Board agent who will be investigating the charge, explains your right to be represented, discusses presenting your evidence, and provides a brief explanation of our procedures, including how to submit documents to the NLRB.

<u>Investigator</u>: This charge is being investigated by Field Attorney STEPHANIE COTTRELL whose telephone number is (206)220-6338. If this Board agent is not available, you may contact Deputy Regional Attorney BRIAN SWEENEY whose telephone number is (206)220-6327.

<u>Right to Representation</u>: You have the right to be represented by an attorney or other representative in any proceeding before us. If you choose to be represented, your representative must notify us in writing of this fact as soon as possible by completing Form NLRB-4701, Notice of Appearance. This form is available on our website, <u>www.nlrb.gov</u>, or from an NLRB office upon your request.

If you are contacted by someone about representing you in this case, please be assured that no organization or person seeking your business has any "inside knowledge" or favored relationship with the National Labor Relations Board. Their knowledge regarding this proceeding was only obtained through access to information that must be made available to any member of the public under the Freedom of Information Act.

<u>Presentation of Your Evidence</u>: We seek prompt resolutions of labor disputes. Therefore, I urge you or your representative to submit a complete written account of the facts and a statement of your position with respect to the allegations set forth in the charge as soon as possible. If the Board agent later asks for more evidence, I strongly urge you or your representative to cooperate fully by promptly presenting all evidence relevant to the investigation. In this way, the case can be fully investigated more quickly.

Full and complete cooperation includes providing witnesses to give sworn affidavits to a Board agent, and providing all relevant documentary evidence requested by the Board agent. Sending us your written account of the facts and a statement of your position is not enough to be considered full and complete cooperation. A refusal to fully cooperate during the investigation might cause a case to be litigated unnecessarily.

We will not honor requests to limit our use of position statements or evidence. Specifically, any material you submit may be introduced as evidence at a hearing before an administrative law judge regardless of claims of confidentiality. However, certain evidence produced at a hearing may be protected from public disclosure by demonstrated claims of confidentiality.

Further, the Freedom of Information Act may require that we disclose position statements or evidence in closed cases upon request, unless an exemption applies, such as those protecting confidential financial information or personal privacy interests.

<u>Preservation of all Potential Evidence:</u> Please be mindful of your obligation to preserve all relevant documents and electronically stored information (ESI) in this case, and to take all steps necessary to avoid the inadvertent loss of information in your possession, custody or control. Relevant information includes, but is not limited to, paper documents and all ESI (e.g. SMS text messages, electronic documents, emails, and any data created by proprietary software tools) related to the above-captioned case.

<u>Prohibition on Recording Affidavit Interviews:</u> It is the policy of the General Counsel to prohibit affiants from recording the interview conducted by Board agents when subscribing Agency affidavits. Such recordings may impede the Agency's ability to safeguard the confidentiality of the affidavit itself, protect the privacy of the affiant and potentially compromise the integrity of the Region's investigation.

<u>Correspondence</u>: All documents submitted to the Region regarding your case MUST be filed through the Agency's website, <u>www.nlrb.gov</u>. This includes all formal pleadings, briefs, as well as affidavits, documentary evidence, and position statements. The Agency requests all evidence submitted electronically to be in the form it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native format (i.e., in a machine-readable and searchable electronic format).

If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the charge. If you cannot e-file your documents, you must provide a statement explaining why you do not have access to the means for filing electronically or why filing electronically would impose an undue burden.

In addition, this Region will be issuing case-related correspondence and documents, including complaints, compliance specifications, dismissal letters, deferral letters, and withdrawal letters, electronically to the email address you provide. To ensure that you receive important case-related correspondence, please ensure that the Board Agent assigned to your case

has your preferred email address. These steps will ensure that you receive correspondence faster and at a significantly lower cost to the taxpayer. If there is some reason you are unable to receive correspondence via email, please contact the agent assigned to your case to discuss the circumstances that prevent you from using email.

<u>Controlled Unclassified Information (CUI)</u>: This National Labor Relations Board (NLRB) proceeding may contain Controlled Unclassified Information (CUI). Subsequent information in this proceeding may also constitute CUI. National Archives and Records Administration (NARA) regulations at 32 CFR Part 2002 apply to all executive branch agencies that designate or handle information that meets the standards for CUI.
